Science Hill High School

PTSA

everychild. one voice.

No matter how strong, mature, and independent high school kids *think* they are, they still need you – maybe more than ever. Kids this age still need to know that you care about them and about the school that is helping to shape their future. Let's face it, time is starting to race by now and soon your kids will be off to college or into the big world.

But you can still make a difference!

Show that you care about your kids' school, their education, and their well-being by joining an organization that cares for and supports ALL our kids. You can be a volunteer, make a donation, provide leadership, or be a proud member of a group that speaks out for our kids. With your help, we can all work together to make a difference.

Now more than ever, you belong in PTA. Because no matter how big your kids get, you'll always care about making things better for them.

SHHS PTSA supports the programs that support YOUR kid:
